Customization Design Template

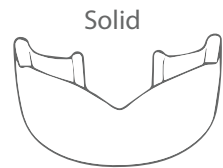

To accurately create your DESIGNguard Mouthguard, draw or affix your custom design artwork to the template below. Be as detailed as possible. Please be sure to accompany this design template, along with your mouthguard impression, in your return envelope.

If supplying electronic artwork: **Email art to designs@sportsguard.com**

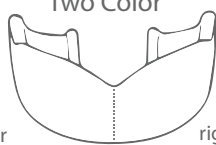

Electronic artwork should be a .JPG or .PNG file. Please note that our production personnel may need to alter the artwork to fit within our production standards.
